1. **Asvalayana-samhita of the Rgveda**, with padapatha, detailed introduction and two indices, 2 vols., ed. by B.B. Chaubey. -- New Delhi, IGNCA, 2009, xxxiv,1935p., ind., 25cm. ISBN 9788185503172 **¥15,000 (set) + 税**

Vol.1 (Mandalas 1-5) Vol.2 (Mandalas 6-10)

The book in two volumes presents the full text of the Asvalayana Samhita of the Rgveda with padapatha, marked with proper accent marks. The additional mantras of the Asvalayana Samhita followed by their translation in English and Hindi are also provided at the end of the Samhita text. In a detailed introduction of the text the editor has examined the existence of Sakha-Samhitas of the Rgveda as mentioned by the Puranas, Patanjali, Mahidasa and other authorities, scrutinising textual evidence in support of them. The focus is, however, on the Asvalayana-Samhita, with a background on Acarya Asvalayana and exploring the antiquity, treatment of accent and padapatha of the text by referring to various sources.
